OUTSTANDING CHECKS

MONTH 20

[illegible]

IN CASE OF ERROR OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Some transactions to your account may be accomplished electronically. If you need more information about an electronic transfer appearing on this statement, or if you think your statement or receipt is wrong, please telephone or write us as soon as possible at the phone number or address designated on the front of this statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will investigate your complaint and determine whether an error occurred within 10 business days (5 business days for VISA Point-of-Sale (POS) transactions and 20 business days if the transfer involved a new account) after we hear from you and will correct promptly. If we need more time; however, we may take up to 45 days (90 days if the transfer involved a POS transaction, a new account, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days for Visa POS transactions and 20 business days if the transfer involved a new account) for the amount you think is in error so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or questions in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made if you are a new customer.

We will tell you the results within 3 business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

*Note: Error resolution disclosures apply to consumer accounts only.
